## Announcement

The Zeeuws Vrouwen Platform organises an interactive symposium in cooperation with the Roosevelt Academy and E-Quality.

### **“The new reality”**

24 November 2011

in the old Town Hall of Middelburg

reception 17.00

Changes in society, the population growth and the general economic situation ask for a different role of women and men. Aspects such as education, work and care, as well as recreation will be discussed by the following speakers:

- Joan Ferrier, director E-Quality
- Kirsten van den Hul, The Changeagent
- Sofie van 't Westeinde, director Zwaartekracht

After a short introduction the discussions will be held in workshops in Dutch or English. A musical performance of the Rosette choir of the Roosevelt Academy will be closing the programme at 21h30.

With regards to the workshop arrangements, the available places and the catering we kindly ask you to book your place by 17 November 2011.
